E-Mail:	

For the processing of your enquiry we need a technical drawing of your tool, and / or the complete specifications of this data sheet with the correct informations of the following parameters.

Please send this data sheet and the technical drawing together to Blicle using this fax.-no. +49 7574 404-80.

Thank you very much

Yours Blicle Team
Cutting tools

quantity: _____ estimated date of delivery : _____

material to be processed: _____

drilling depth [mm]: _____

type of machine: _____

driving power [kW]: _____

rpm (V): _____ feed: _____

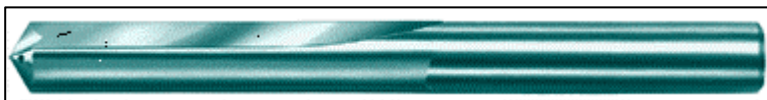

coolant: oil emulsion pressure: _____

internal coolant: yes no

coating: without TiN TiCN TiAlN _____

shank type: DIN 6535 HA DIN 6535 HB DIN 6535 HE
 else : _____

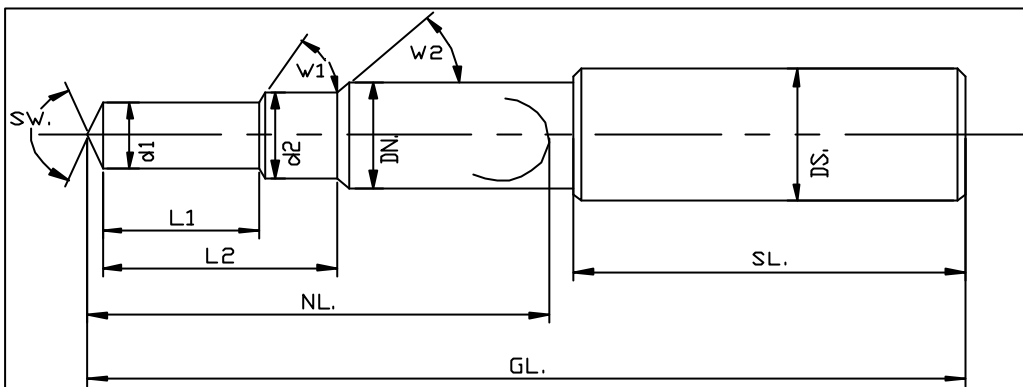

COMPACT „G“

COMPACT „S“ + „U“

COMPACT „D“

Type:

- Compact „G“ Compact „S“ Compact „U“
 Compact „D“ manufacturers choice

total length [GL]: _____ mm; tolerance : _____

diameter [DN]: _____ mm; tolerance : _____

flute length [NL]: _____ mm; tolerance : _____

point angle [SW]: _____ mm; tolerance : _____

shank diameter [DS]: _____ mm; tolerance : _____

shank length [SL]: _____ mm; tolerance : _____

step diameter [d1]: _____ mm; tolerance : _____

step length [L1]: _____ mm; tolerance : _____

step angle [W1]: _____ mm; tolerance : _____

step diameter [d2]: _____ mm; tolerance : _____

step length [L2]: _____ mm; tolerance : _____

step angle [W2]: _____ mm; tolerance : _____
